

DAVID T. LONGO, Rotary Club of Hampton
2010 – 2011
Assistant Governor - District 7780

David Longo joined the Hampton Rotary Club in 2000, became an active member upon induction and was responsible for bringing the club into the information age, with the development of a club website and e-mail communication for all its members. He joined the Board of Directors the following year in 2001, was awarded a Paul Harris Fellow in 2003 and served as Centurian President of the club in 2005-2006, beginning Rotary's second century of "Service Above Self", after its 100 Year - Centennial Celebration in 2004. As a Past-President, David sits on the Past-Presidents Council for the club, which recommends donation requests for Board approval. He has and continues to serve on many club committees and was the founding chair of the annual online auction in 2002, which continues to be one of the club's more successful fundraisers to date. David is a multiple Paul Harris Fellow and created the first Paul Harris Quartets for the club during his term as President, and stays committed to the ideals and goals of the Rotary Foundation of sharing a vision of world understanding and peace. In addition to his club involvement, David has also served as District Webmaster during previous Rotary years for the District prior to holding the position of Assistant Governor for 2010-2011.

David is the Founder and Owner of Hampton Computer, LLC, a retail computer company started in 2000, headquartered on RT 1 In Hampton, NH, offering Sales, Service and Repair on all makes of Desktop and Laptop Computers, as well as Networking, Training, Printer Repair and Creative Services. In 2003, David started Longo Real Estate Holdings, LLC and acquired the two retail buildings that houses Hampton Computer and the adjacent two rental property buildings, which began his desire into Investment Commercial Real Estate Property and offers commercial and residential units for lease.

For the past 20 years, David has resided in Hampton with his wife, Katharine, of 10 years and their daughter, Amanda, who is 4 years old, whom who they adopted from China in 2006.
